The lawyers and staff of Legate & Associates, Personal Injury Lawyers, very proudly announce that Sharon Smiley, Senior Litigation Clerk, is the recipient of the Distinguished Law Clerk Award given by the Ontario Trial Lawyers Association at its 2009 Spring Conference on May 28th.

Sharon was nominated for this award by lawyers, co-workers and colleagues who recognized her outstanding talent, professionalism and dedication to the people she works for — the injured and their families. She is recognized as a role model for law clerks across the province, demonstrating attention to detail, focus, analytical skill and team work.

Sharon has worked with Barbara Legate at Legate & Associates, Personal Injury Lawyers, for almost a decade, and with other major law firms in London before that. She is responsible for medical analysis, integration of information gathered in the preparation of cases for trial, focused witness interviews and maintaining a consistent flow of information from and to our clients. Sharon is a reassuring voice on the other end of the phone for the injured people, and their families, who seek advice from Legate & Associates. It is Sharon's work behind the scenes that, according to Barbara Legate, "makes me look good". The entire firm is grateful for her contribution and leadership. Her knowledge and experience has been generously shared with her colleagues and lawyers in presentations made to meetings of the Ontario Trial Lawyers Association and the Law Society of Upper Canada.

Sharon accomplishes all of this while fulfilling the role of wife to David Smiley and mother to Shannon, Colleen and Brandon

Congratulations Sharon on a well-deserved distinction!

Results for injured children, adults and their families.
